

# How to Join the Exhibition

To participate in our exhibition, please follow these steps:

## 1. Upload Your Model to Hugging Face

- Ensure that your model is uploaded to Hugging Face so it's usable through the transformers library.
- Make sure to make the model public so we can access and use it.

## 2. Submit a Python File

- Create a Python file containing a function that:
  - Loads the model from the transformers library.
  - Accepts the expected input.
  - Returns the expected model output.
- Ensure the function is working correctly.
- Submit this Python file to the following email: [v-exhibition@gmail.com](mailto:v-exhibition@gmail.com).

## 3. Provide Additional Information

- Model Name
- Description of the model
- An image (optional)
- Thesis link (if available)
- Supervisors' names
- Any account links you want to share (e.g., LinkedIn, GitHub)

## 4. Need Help?

- If you need any help with the model upload or creating the model function, do not hesitate to contact us at [v-exhibition@gmail.com](mailto:v-exhibition@gmail.com).
